

# Discontinued product notification: TC4MHRxxx-y models replaced by TC4MHRPxxx-y ones

Dear Valued Customer,

Due to the introduction of the new TC4MHRPxxx-y models, the production of TC4MHRxxx-y ones will be discontinued. The new TC4MHRPxxx-y lenses feature larger aperture and better optical performance.

The production will be discontinued on March 31 2023 (unless mutually agreed in advance with a supply agreement): after this date the TC4MHRxxx-y models will no longer be produced and it will no longer be possible to order them. We strongly advise you to [contact our sales engineers](#) ahead of such date to discuss about your specific needs.

While we regret any inconvenience this announcement may cause, we appreciate and value our business relationship and we look forward to help you solve your machine vision challenges with our leading optical solutions.
